Show Guidelines

Stock Classes: No more than three minor modifications allowed. Example: non stock chrome, after-market gauges.

Modified: Any, one modification; Example: side pipes, roll bars, non factory-style paint, major body changes, major suspension changes, traction bars

Judging: Hoods and trunks are to be open and convertible tops up during judging. Decisions of the committee will be final for vehicle classifications. Classes may be combined or expanded based on participation.

Safety: Working fire extinguishers are suggested and should be kept next to left front tire of show vehicles. Due to limited space, no trophy displays or roped off vehicles allowed.
